

# INFORMATION DATA SHEET OF NON HAZARDOUS PRODUCT

## IDENTIFICATION OF THE PRODUCT AND OF THE MANUFACTURER

### Product identifiers

**Product:** ANTIMICROBIAL SUSCEPTIBILITY DISCS  
**Product name:** see the list below  
**Code:** see the list below

### Relevant identified uses of the product

**Recommended use:** Microbiological diagnostics (IVD, medical device)

### Details of the supplier

**Manufacturer:** BIOLAB Inc.  
H-1141 Budapest, Öv u. 43. Hungary  
**Phone:** +36-1-221-9614  
**Fax:** +36-1-364-2006  
**E-mail:** [export@biolab.hu](mailto:export@biolab.hu)

### Classification of product

According to 1272/2008 EC (CLP) regulation, Article 1, paragraph 5, point 4 the directions of the regulation shall not be applied.  
The mixture is not dangerous.

## OTHER INFORMATION

Working with the material the basic workplace hygiene requirements must be kept.

**This document is produced electronically and is valid without signature.**

# INFORMATION DATA SHEET OF NON HAZARDOUS PRODUCT

| CODE    | ANTIBIOTIC                  | µg   |
|---------|-----------------------------|------|
| AK-10   | Amikacin                    | 10   |
| AK-30   | Amikacin                    | 30   |
| AN-60   | Aminosidin                  | 60   |
| AX-2    | Amoxicillin                 | 2    |
| AX-10   | Amoxicillin                 | 10   |
| AX-20   | Amoxicillin                 | 20   |
| AX-25   | Amoxicillin                 | 25   |
| AX-30   | Amoxicillin                 | 30   |
| AMC-3   | Amoxicillin/clavulanic acid | 3    |
| AMC-30  | Amoxicillin/clavulanic acid | 30   |
| AM-2    | Ampicillin                  | 2    |
| AM-10   | Ampicillin                  | 10   |
| AM-20   | Ampicillin                  | 20   |
| AM-25   | Ampicillin                  | 25   |
| AM-30   | Ampicillin                  | 30   |
| AMD-11  | Ampicillin/dicloxacillin    | 11   |
| APX-30  | Ampicillin/cloxacillin      | 30   |
| SAM-20  | Ampicillin/sulbactam        | 20   |
| SAM-30  | Ampicillin/sulbactam        | 30   |
| APR-15  | Apramycin                   | 15   |
| APR-30  | Apramycin                   | 30   |
| AZM-15  | Azithromycin                | 15   |
| AZM-30  | Azithromycin                | 30   |
| AZL-30  | Azlocillin                  | 30   |
| AZL-75  | Azlocillin                  | 75   |
| ATM-10  | Aztreonam                   | 10   |
| ATM-30  | Aztreonam                   | 30   |
| B-0,04  | Bacitracin                  | 0.04 |
| B-10    | Bacitracin                  | 10   |
| BIL     | Bile disc                   |      |
| APB-250 | Boronic acid                | 250  |
| APB-300 | Boronic acid                | 300  |
| APB-400 | Boronic acid                | 400  |
| PY-10   | Carbenicillin               | 10   |
